Supporting Information

The Omnibus Budget Reconciliation Act of 1993 authorized the permanent extension of the Low Income Housing Tax Credit Program (LIHTC). The LIHTC offers a reduction in tax liability to owners and investors of eligible low income new construction, rehabilitation, or existing rental housing.

CPED, on behalf of the Minneapolis/St. Paul Joint Housing Finance Board, acts as the designated LIHTC suballocator for Minneapolis and is expected to receive \$1,406,950 of Year 2015 LIHTC's.

Federal law requires suballocators to adopt a Qualified Allocation Plan and Procedural Manual which sets forth selection criteria for the allocation of tax credits to qualified rental housing developments. Program changes in state and federal law are made from time to time and need to be incorporated into the Qualified Allocation Plan (QAP) and Procedural Manual.

Staff is recommending no changes to the Qualified Allocation Plan for Year 2015. The Minneapolis Consortium of Community Developers (MCCD) was contacted by staff and they did not have any suggested changes to the QAP for Year 2015.

Staff is anticipating proceeding with the RFP in May with an application deadline in late June 2014. This timeline is the same as the St. Paul Community Planning and Economic Development RFP round. The Minneapolis/St. Paul Joint Housing Finance Board is scheduled to meet in mid May to finalize the QAP for Minneapolis and St. Paul. The Minneapolis City Council action allocating the 2014 tax credit selections is anticipated in September/October 2014.
